* The Board of Education cannot legally enter into discussions or take action on any item addressed under public comment. State law dictates that only those matters specifically appearing on the board agenda may be discussed or voted upon by the Board of Education. Public comment exists to allow members of the public an opportunity to bring their concerns to the attention of the Board of Education. However, to prevent any potential violations of the Oklahoma Open Meeting Act, no interaction or discussion will occur with regard to any item addressed under public comment. Should action be deemed to be necessary, an item will appear on the next meeting agenda for discussion and/or possible board action.
