STUDENT DRUG TESTING CONSENT FORM

Statement of Purpose and Intent

Participation in school sponsored extracurricular activities at the Elk City Public School District is a privilege. Activity students carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use of possession of illegal drugs.

Drug use of any kind is incompatible with participation in extracurricular activities on behalf of the Elk City Public School District. For the safety, health, and well being of the student of Elk City Public School District, the district has adopted the attached student drug testing program policy and this consent form for use by all participating students at the middle/junior high school and high school levels.

Participation in Extracurricular Activities

Each activity student shall be provided with a copy of the drug testing program policy and consent form, which shall be read, signed, and dated by the student, parent or custodial guardian, and coach/sponsor before such student shall be eligible to practice or participate in any interscholastic activities. The consent shall be to provide a urine sample (a) as part of the annual physical or for eligibility for participation; (b) as chosen by the random selection basis; and (c) at any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing drugs. No student shall be allowed to practice or participate in any activity governed by the policy unless the student has returned the properly signed Student Drug Testing Consent form.

I understand after having read the drug testing program policy and this student drug testing consent form that, out of care for my safety and health, the Elk City Public School District enforces the rules applying to the consumption or possession of illegal and performance-enhancing drugs. As a member of a Elk City extracurricular interscholastic activity, I realize that the personal decision that I make daily in regard to the consumption or possession of illegal or performance-enhancing drugs may affect my health and well being as well as the possible endangerment of those around me and reflect upon any organization with which I am associated. If I choose to violate school policy regarding the use or possession of illegal or performance-enhancing drugs any time while I am involved in in-season or off-season activities, I understand upon determination of that violation I will be subject to the restrictions on my participation as outlined in the policy.
