

Up to six children in this school district could win \$529 towards an Oklahoma College Savings Plan ...and their school could win \$529 cash!

September is National College Savings Month and to celebrate the **Oklahoma 529 College Savings Plan (OCSP)** and **Gap Stores** in Oklahoma have partnered to bring all Kindergarten-5th grade students across the state the chance to win \$529 toward an OCSP account.

From September 1 - 30, 2011, the OCSP is asking parents, grandparents and legal guardians to visit www.ok4saving.org/kidsoncollege and take the Kids on College Survey. This survey is a short, non-scientific survey that asks you and your child

questions about future college plans and current college savings options. All Oklahoma Kindergarten-5th grade students whose parent or legal guardian enter the sweepstakes will be entered into a random drawing for six awards each worth \$529 toward an Oklahoma 529 College Savings Plan Account. Each winning student's school also will receive \$529 for its arts or music program.

Visit www.ok4saving.org/kidsoncollege for additional details and official rules. No purchase necessary. Void where prohibited.

Oklahoma 529
College Savings Plan

Receive a 25% coupon to any Gap Store in Oklahoma just for completing the survey.
